Are you tired of all the cheap rubbish on the market?
This is a quality unit with a quality list of features.
You won't be disappointed!

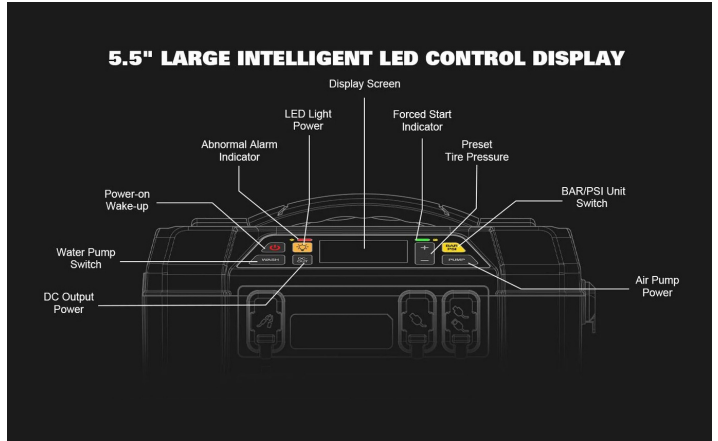

5 IN 1 JUMP STARTER WITH CAR WASHER

LOKITHOR AW401 best portable jump starter for diesel trucks utilise a powerful 100-watt motor to drive the high-pressure water pump. The handheld shower head can be adjusted with various settings such as Jets, Fans, Mists, and Showers. With up to 200 PSI pressure, it is perfect for quick cleanups for car wash, pet bath, garden watering, outdoor shower, etc.

5.5" LARGE INTELLIGENT LED CONTROL DISPLAY

20,000mAh portable power bank with a battery life of up to 40 minutes. Integrated 500-lumen LED flashlight with Flashlight, Strobe, and SOS modes. 60W two-way fast charging: Entirely input recharges in just 1.6 hours and starts your dead battery in just 5 minutes of charge. 60W power output power bank to efficiently power your USB-C devices such as phones, tablets, laptops, wearables, and more.

START ALL TYPES OF 12V VEHICLE

AW401 car battery jump starter battery pack can inflate 195/65/R15 car tires from 0 to 35 PSI in just 5 minutes. Maximum pressure of 150 PSI and airflow of 35L/Min to support tire-pressure detection, preset values stopping, and unit switching (BAR/PSI). This booster pack jump starter features 10+ protections to instantly start your car's engine and is designed with reverse polarity and spark-proof technology to prevent mistakes.
